

April-May Promotion

We at Chickaniddy Crafts value you, our local scrapbook stores and would like to give you the opportunity to get to know us. During April-May we have a great special to help celebrate spring and our new friendship with you!

Promotion Special:

- 10% off all orders in April & May (no Minimum).
- Free shipping for every order over \$150.
- Free set of Alpha Stickers for customer giveaways.

To help celebrate the “Get To Know Chickaniddy Crafts” promotion, each order placed will receive a display sign and color coordinating balloons to help showcase the product in your store. This will help bring attention to these new collections in your shop.

Starting in the month of May our blog will be featuring a new video with a free coordinating cut file. These videos will show, step by step, how to make the project and can easily be turned into a class for your shop. These monthly videos will feature the new products with creative new ways to design with the collections.

Also please note that our blog is overflowing with many new ideas and you as a store are more than welcomes to use them for the benefit of your shop.

We thank you so much for taking the time to get to know Chickaniddy and look forward to growing a long time relationship with you.
