Paper Crafting News

Stories from the Field:

Meet the Paper House Inside Sales Team

(left to right: Carol Wase, Sondra Keesler & Guy Reed)

You have been talking to them for years, get to know a little bit about them.

Carol Wase: I have just celebrated my three year anniversary with Paper House Productions!!! I grew up here in Saugerties and now reside in Catskill New York with my husband and two daughters.

Sondra Keesler: I've been with Paper House for 6 ½ years. I'm a card maker, a cat and squirrel lover, and I love corny jokes.

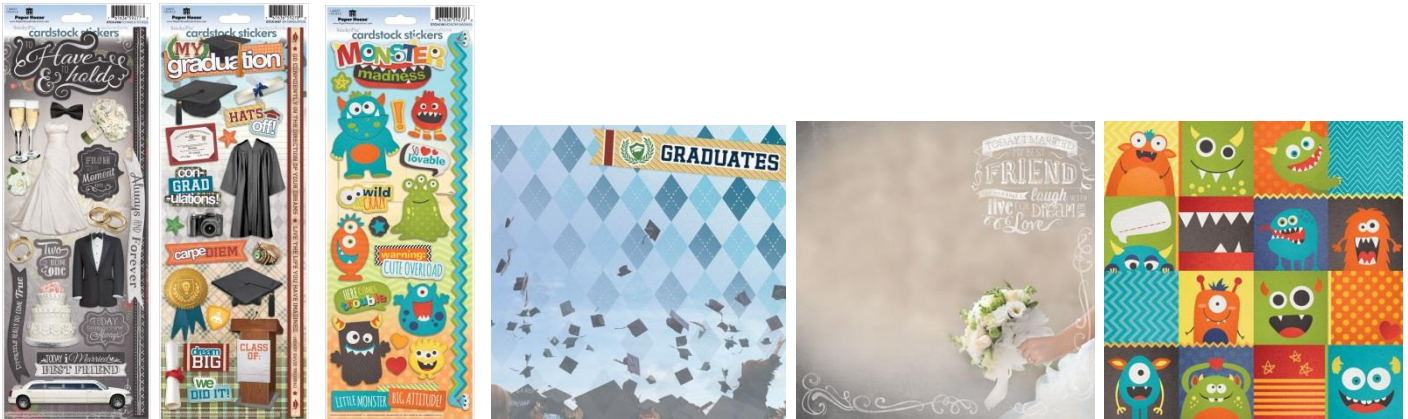

Guy Reed: Originally from Minnesota, I've lived for 17 years in the Catskill Mountains with my wife and two children. I've worked at Paper House Productions for 14 years.

Call us anytime with any questions you may have. We are here to help!
